

RUNNING A FOOD TRUCK MEANS RUNNING 12 JOBS AT ONCE.

A MILLION THINGS TO DO.
A MILLION APPS TO DO THEM.

TO-DO LIST:

- ☒ POST ON IG
- ☒ UPDATE MENU
- ☒ REPLY TO DMS
- ☒ ORDER SUPPLIES
- ☒ PAY BILLS
- ☒ FOLLOW UP LEADS
- ☒ STAFF SCHEDULE
- ☒ TRACK INVENTORY
- ☒ CATERING QUOTES
- ...AND MORE

The man is wearing a black t-shirt with 'ALOHA Grinds' and a palm tree logo. He is holding a smartphone and looking at it with a frustrated expression, his hand on his forehead. The background shows the interior of a food truck with various items on the counter, including a bowl of food and a cup. Floating around him are numerous notification bubbles from different apps:

- New Message** (23)
- 37 new emails** (37)
- (808) 555-0123**: Can you cater an event this weekend? (now)
- Square**: New order received \$127.50 (now)
- Instagram**: New DMs (17)
- Slack**: #catering-requests (8)
- Calendar**: Catering Event Tomorrow 11:00 AM (31)
- Google Reviews**: New review (3)
- QuickBooks**: Invoice overdue \$1,250.00 (now)
- Facebook**: New comment (5)
- Toast POS**: New order #1247 \$85.32 (5m ago)
- Catering Inquiry**: Aloha! We'd like to book... (2m ago)
- Google Sheets**: Inventory Update Edited by Matt (5h ago)
- Missed Call**: Unknown (2) (1m ago)
- Supplier Invoice**: DUE: TODAY \$612.75 (!)
- CALL BACK VENDOR**
- CATERING INQUIRY NEED REPLY!**
- Today's tasks**: FARMERS MARKET, PRIVATE EVENT, CATERING ORDER, RESTOCK, POST CONTENT, STAFF SHIFT, INVOICES, FOLLOW UP, ...AND MORE

The man's laptop has 'ALOHA MADE' and 'SUPPORT LOCAL' stickers on it. A small hula dancer figurine is on the counter next to him.

WE CONNECT EVERYTHING. AI DOES THE REST.

From app chaos to one intelligent assistant
that *runs* your business.

THE PROBLEM:

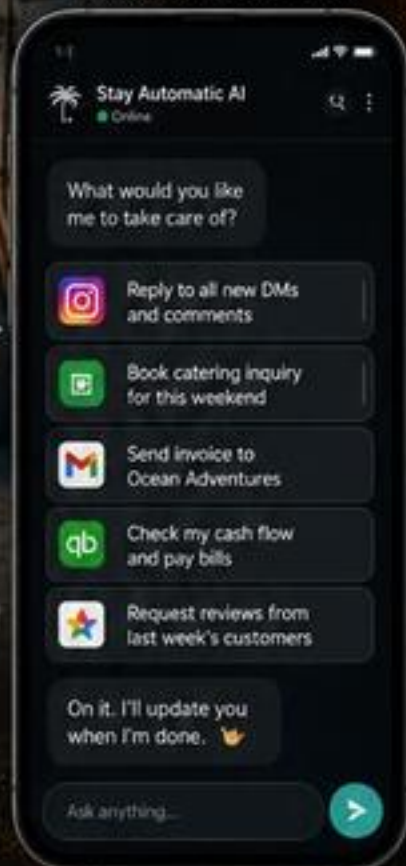

Too many apps.
Too many tabs.
Not enough time.

OUR SOLUTION:

We connect your apps & services
to a computer that *AI has full*
control over.

YOUR NEW INTERFACE:

One chat. All the context.
Every tool. Ready to go.

WHAT AI CAN DO FOR YOU:

-  **REPLY**
to DMs, texts, emails & comments
-  **BOOK**
events, catering & orders automatically
-  **FOLLOW UP**
with leads & customers automatically
-  **GET REVIEWS**
and respond to them on autopilot
-  **MANAGE**
invoices, payments & expenses
-  **TRACK**
inventory & supplies
-  **MANAGE**
staff schedules & shifts
-  **SEE REPORTS**
and get insights instantly
-  **GET ALERTS**
for what actually matters

THE RESULT:

MORE TIME FOR WHAT MATTERS.

- ✓ **HAPPIER CUSTOMERS**
- ✓ **FULLER CALENDAR**
- ✓ **HEALTHIER PROFITS**
- ✓ **LESS STRESS**

YOU RUN YOUR FOOD TRUCK. AI RUNS THE BUSYWORK.
STAY AUTOMATIC. FOCUS ON WHAT YOU DO BEST.

WE BUILD THE SYSTEM. AI RUNS THE BUSYWORK.

We set up a secure AI foundation, connect your tools, and deliver automations that **save you serious time.**

SECURE

Your data.
Your control.

FLEXIBLE

Use any AI.
Change anytime.

OPEN

Open source.
Built for you.

RELIABLE

Built to run.
24/7.

HOW WE SET IT UP FOR YOU

1

SECURE FOUNDATION

We start with a dedicated, always-on environment that's secure and reliable.

Choose Your Environment

VPS (Hetzner)
Secure. Fast. Scalable.

HETZNER

or

Local Always-On Device
Mini PC / Mac Mini / Arduino

2

INSTALL HERMES (AGENTIC HARNESS)

HERMES
OPEN SOURCE AI HARNESS

- ✓ Open Source & Transparent
- ✓ AI Agnostic
Use any AI you want
- ✓ Agentic by Design
Plans, acts, and adapts
- ✓ Large Community
Active support & plugins
- ✓ Built for Reliability
Logs, memory, tools, and guardrails

> `hermes --install`

3

USE THE AI YOU TRUST

Plug in the model that fits your business.

AI Claude

✦ Gemini

M Mistral

</> Any Model

DRIVE SALES

HOW IT WORKS

1

SEND A PHOTO

Snap a pic of your special and send it to the chat.

→

2

ADD THE DETAILS

Include the key info (price, ingredients, hours, location, etc.)

→

3

AI CREATES YOUR POST

AI writes a caption that matches your brand and highlights the good stuff.

→

4

YOU REVIEW & APPROVE

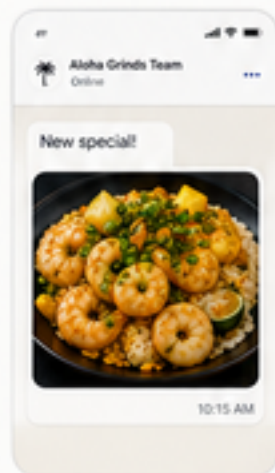

Quick review. Tweak if needed. Approve and we'll handle the rest.

→

5

WE SCHEDULE & POST

We schedule it at the best time and post across your channels.

Every time.

MORE SALES

More visibility, more
customers, more revenue.

You focus on
the food.
We handle
the busywork. 🌴

AI AD MANAGER.

Smart campaigns.
Better results. On autopilot.

We manage, test, and optimize your ads 24/7 to get you more customers for less.

MORE CUSTOMERS
Reach the right people.

LOWER COSTS
Better results for every dollar.

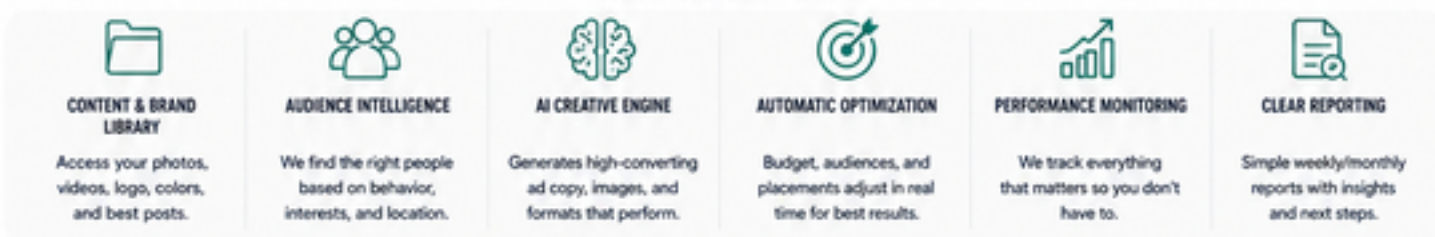

SAVE TIME
We handle everything, you focus on serving.

HOW IT WORKS

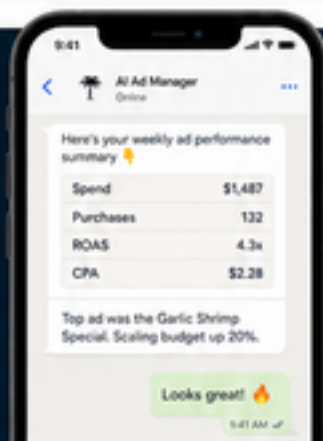

WHAT WE USE TO WIN

RESULTS THAT MATTER

- ✓ More qualified customers
- ✓ Lower cost per acquisition
- ✓ Higher return on ad spend
- ✓ Consistent leads & sales
- ✓ More time for what you do best

“ Since using the AI Ad Manager, our ad spend works harder, we get more customers, and I get my time back. ”
— Kimo, Aloha Grinds

Set it and let it work.

Better results over time.

More customers. Less stress.

STAY AUTOMATIC

No lock-in. You own everything.

Secure & private. Your data stays yours.

Real support. We've got your back.

You cook. We handle the rest.

CUSTOMER RETENTION. AUTOMATED. PERSONAL. BUILT TO BRING THEM BACK.

We turn every customer into a repeat customer with automated follow-ups, review requests, and personalized offers.

STRONGER LOYALTY
Stay top of mind and keep customers coming back.

MORE REVIEWS
Happy customers leave more 5-star reviews.

MORE SALES
Timely offers and updates drive repeat orders.

REAL RESULTS
Track every re-engaged customer, and automations in one place.

HOW IT WORKS

1

CAPTURE CUSTOMERS

We securely collect customer info from your payment platform or sign-up forms.

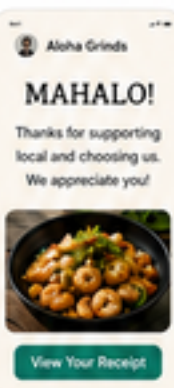

- ✓ Email
- ✓ Phone
- ✓ Name (optional)
- ✓ Visit / Purchase Data

2

AUTOMATICALLY THANK THEM

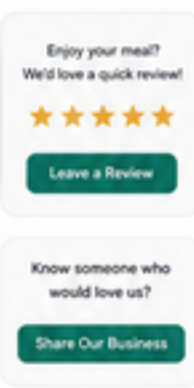

After their visit, we send a branded thank you email or text.

3

ASK FOR REVIEWS & REFERRALS

We make it easy for happy customers to leave a review and share your business.

4

STAY CONNECTED WITH VALUE

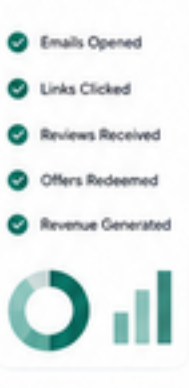

We send the right message at the right time with special offers, updates, and more.

5

TRACK & LEARN WHAT WORKS

We track every open, click, review, redemption, and sale from each campaign.

6

MORE LOYALTY. MORE REPEAT SALES.

Happy customers return more often and become your biggest fans.

SMART OUTREACH THAT RUNS ON AUTOPILOT

WEEKLY

Keep them engaged with fresh updates, new menu items, and local news.

MONTHLY

Share special offers and reminders to bring them back more often.

QUARTERLY

Reward loyalty with exclusive deals and seasonal promotions.

BIRTHDAYS

Send a little love with a special offer on their big day.

REACTIVATION

Win back inactive customers with a personalized nudge.

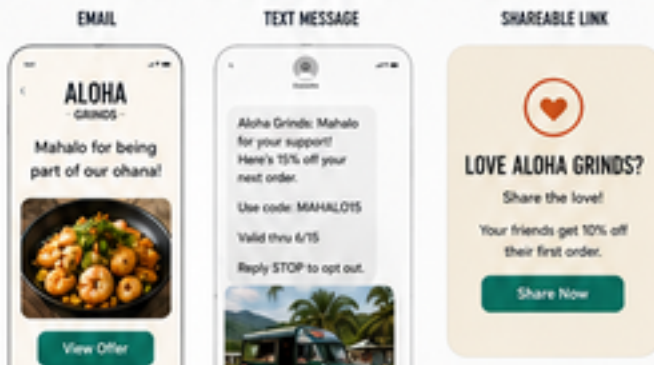

FULLY AUTOMATED

Set it up once. We handle the rest. You focus on your business.

YOUR RETENTION COMMAND CENTER

BEAUTIFULLY BRANDED. TOTALLY YOU.

YOUR DATA IS SAFE

We use secure connections and never sell your data.

FULLY COMPLIANT

We follow best practices for privacy and anti-spam laws.

100% YOURS

You own your customers. We just help you keep the relationships strong.

Happy customers.
More reviews.
More repeat business.
That's the Aloha way.

Stop Renting Software. Start Hiring Intelligence.

Give AI access to your business. It does the rest.

One AI-powered operations system. Every tool connected. Real results.
